SOMACH SIMMONS & DUNN

ATTORNEYS AT LAW

Associate Attorney

Somach Simmons & Dunn, a mid-size Sacramento based environmental law firm, is seeking a 4-7 year associate attorney with land use permitting and CEQA review and litigation experience. The ideal candidate will have exceptional research, writing, and interpersonal communication skills, experience working directly with clients and agencies, experience reviewing documents prepared pursuant to CEQA and litigating under land use law and CEQA (NEPA and water law experience or interest a plus), ability to work independently (with collaboration and oversight), and be a current member of the State Bar of California.

Somach Simmons & Dunn offers:

- A flexible work schedule with ability to telecommute
- A current base salary for this position in the $139,000 - $163,000 range
- The ability and expectation to earn significant objective and subjective bonuses
- Employer-paid health, dental and vision care option for the employee and their dependents
- A 401k plan with matching contributions and profit-sharing
- A comfortable, collaborative and friendly work environment

Somach Simmons & Dunn offers an excellent work environment that incorporates work-life balance with interesting and exciting projects and clients.

Qualified candidates should submit their resume, along with a cover letter and writing sample, to Nick Jacobs at njacobs@somachlaw.com or Somach Simmons & Dunn, Attn: Nick Jacobs, 500 Capitol Mall, Suite 1000, Sacramento, CA 95814 (please, no phone calls or recruiters). Somach Simmons & Dunn is an equal opportunity employer.
